

# Of Cravos Indiscretos

Murcharam no seu quanto entanquescidos,  
que elles rubros eram sufi lantes  
q. os teus olhos olharam, esquecidos  
das impoas deste mundo, por instantes.

Esas cravos no entanto deslumbrantes,  
não morreram inglorios & perdidos,  
como os montes morrem os descontados  
q. nem os eclos ouvem, distraídos.

Mais felizes do q. eu, n̄e curte ridz,  
luminaram-nos teus olhos pretos,  
desvocaste - o meu, dormecida ---

O que puglhos achare tem secretos  
q. a humana condição desprevenidos  
mudarem, n̄e dos cravos indiscretos! ---

2. Chaves de Almeida

Botanical garden 30

just incorporated stones with the numerous  
yellowish brown streaks always  
blackish, monads pale with a  
yellowish tinge, about half as large as  
the corresponding ones in the east  
Library & Library moreover with  
a few white or yellowish streaks in  
addition to the brown ones  
about 150 species of  
which 100 are probably the  
true ones and the remainder  
are probably either hybrid or  
not distinct enough to be  
separated from them  
of which 20 are new to science  
and 20 new to the country.
